

# H.T.H.P LUBRICANTS

## Tropicalised High Performance Oil

# MP2

## GREASE

H.T.H.P oil is manufactured in Belgium under european standards.  
It is a highly controlled oil that ensures protection of your engine to 100%.

### APPLICATION

H.T.H.P MP2 is a lubrication grease for general applications specific requirements. This grease has a good oxidation stability and ensures long lasting lubrication. H.T.H.P MP2 Grease is resistant to water and give good features of temperature. Therefore, it can be used at high temperature and stays pumpable at low temperature.

### SPECIFICATION

- Standard DIN 51502/K2K-30/K3K-30
- ISO 6743/ISO-L-XCCEA2/ISOL-XCCFA3
- Used at high temperature
- Pumpable at low temperature

### ANALYSIS

Coulour	Amber
Texture	Smooth
Composition	Lithium
Number of NLGI	2
Infiltration per 60 blows	265 - 295
Drop point °C	190
Temperature °C	-25 a 130

Ensures your engine protection to 100%
